Once you complete these steps, Run Signup will email your Team Page URL if you created one and/ or your individual page URL.

You can send those URL’s to those who wish to donate to your team or individual fundraiser!

Thank you for partnering with us to share about and raise money on behalf of (un)adopted!

Additional Team Fundraising Information:

- **You can choose to raise money as a team or individual. Teams, as it relates to fundraising, are usually a group of people who are all participating in the event and raising money together.**
- **If you are not part of a team, have never heard of team fundraising or don't really want to know what it is, please register as an "individual".**
- **Your team or you as an individual will set your fundraising goal. It can be as high or low as you would like for it to be!**
- **We ask that you complete your fundraising by Friday, August 19th.**
- **Make sure and invite people to view and donate to your team or individual page! You can post it on your social media, email it out to friends, or mail it out in a letter! The options are endless of how you can spread the word!**

FAQ:

- **Will registration fees for people on my team count towards our team fundraising goal?**
No – Only funds donated to your team outside of the cost of registration will count towards your team fundraising goal.
- **If I'm on a team, do I still have to register to run?**
Yes, you still must register to run even if you are part of a fundraising team.
- **Do I have to run in the race to be part of a fundraising team?**
No! You can be part of a fundraising team and do not have to run in the race. But we would love for everyone to join us!
- **Are there prizes for the team that raises the most money?**
Yes! Stay tuned to hear what they will be!
